7TH NATIONAL CONFERENCE OF WORLD ASSOCIATION FOR PSYCHOSOCIAL REHABILITATION INDIAN CHAPTER (WAPR IC)

Why to attend....

WAPR, a global NGO works for the dissemination of principles and practices of psychosocial rehabilitation and recovery for persons with mental illness. It assembles an unique interdisciplinary conglomerate of psychiatrists, clinical psychologists, psychiatric nurses, psychiatric social workers, occupational therapists, social educators and people with lived experience from different parts of the world. It thus provides a golden opportunity for collaborative work and networking in the field of psychosocial rehabilitation. The distinctive theme of the conference guarantees a thought-provoking exchange of ideas in the current quest for quality rights of persons with mental illness.

Listen to Eminent Speakers

One of its kind opportunity to meet experts in the field, learn the latest trends and practices, as well as interact with them, gaining knowledge and new insights.

Hands-on-Workshop

The platform to discuss and carve out solution through well planned workshop addressing key challenges faced in translating theory to practices.

Oral Paper and Poster Presentation

A chance to present and witness latest research in the field and gain important feedback and valuable recognition for the hard work.

Be a Part of Enriching Experience

Witness the realm of mother nature with proclaimed Kaziranga Wildlife Sanctuary and well-known forest reserves surrounding the Historical and Cultural Capital Town of Tezpur. The Himalayan foothill towns of Tawang of the world famous Tawang Monastery, Dirang Kiwi Orchards and Bhalokpong in the vicinity are all ready to mesmerise with their magical charm.

Who can attend....

The conference invites energetic and enthusiastic participation of mental health professionals (psychiatrists, clinical psychologists, psychiatric nurses, psychiatric social workers, occupational therapists, special educators, physiotherapist), persons with lived experience, family members of persons with mental illness and NGOs working in the field of mental health.
