REQUEST FOR QUALIFICATION (RFQ)

RFQ No. LGB/NAZ/4060/26/5383, dated 16.09.2026

Establishment, Operation and Maintenance of CT Scan Services with a Brand-New Whole-Body Multi-Slice CT Scanner (Minimum 64 Slices) on Zero-CAPEX Public-Private Partnership (PPP) Basis at LGBRIMH, Tezpur

Stage 1 of a Two-Stage Procurement Process (RFQ followed by RFP) under the General Financial Rules, 2017

Qualification stage only - no financial bids are invited or shall be evaluated at this stage

INFORMATION SUMMARY

RFQ number and date	LGB/NAZ/4060/26/5383, Dated 16.09.2026
Issuing authority	Director, Lokopriya Gopinath Bordoloi Regional Institute of Mental Health (LGBRIMH), Tezpur, Assam - 784001
Project name	Establishment, Operation and Maintenance of CT Scan Services on PPP Basis at LGBRIMH, Tezpur
Facility	Brand-new whole-body multi-slice CT scanner, minimum 64 slices, operated 24x7x365 within the Institute premises
Procurement route	Two-stage process: RFQ (Stage 1 - qualification only) followed by RFP (Stage 2 - technical and financial bids from shortlisted agencies only)
Mode of submission	Online only, on the Central Public Procurement Portal (CPPP): https://eprocure.gov.in
Tender fee	Nil
Earnest Money Deposit (EMD)	Nil
Affidavit / stamp paper	Not required at the RFQ stage; self-attested declarations on plain paper are acceptable
Pre-application meeting	24.09.2026 at 11:00 hrs, MS Conference Room, Administrative Building LGBRIMH, Tezpur and simultaneously by video-conference; (participation optional but

	recommended) Meeting link for video conference: https://lgbrimh.my.webex.com/lgbrimh.my/j.php?MTID=m93330cc6a7e10c89786a14feb550b73b Meeting number: 26409011879 Meeting password: rfq2426
Last date for receipt of queries	23.09.2026 up to 16:00 hrs
Last date and time for submission	07.10.2026 up to 15:00 hrs
Opening of applications	08.10.2026 at 15:00 hrs
Validity of application	180 days from the last date of submission
Concession term	Seven (7) years from the Commercial Operation Date, extendable by up to three (3) years subject to satisfactory performance
Nodal Officer (point of contact)	Dr. Hemanta Dutta, OSD & Deputy Director, LGBRIMH, Tezpur - 784001; Phone: 8473062148; Email: lgbrimh@yahoo.co.in

Part 1 - Notice Inviting Request for Qualification (RFQ)

1.1 The Director, Lokopriya Gopinath Bordoloi Regional Institute of Mental Health (LGBRIMH), Tezpur, an autonomous institute under the Ministry of Health and Family Welfare, Government of India, invites online applications for qualification from eligible agencies for the **Establishment, Operation and Maintenance of CT Scan Services with a Brand-New Whole-Body Multi-Slice CT Scanner (Minimum 64 Slices) on Zero-CAPEX Public-Private Partnership (PPP) Basis at LGBRIMH, Tezpur.**

1.2 Two-stage procurement process. This RFQ is Stage 1 of a two-stage procurement process conducted in accordance with the General Financial Rules, 2017 (GFR 2017). This document is intended solely to evaluate the technical and financial capability of applicants and to shortlist qualified agencies. **No financial bids, pricing, rate quotations or revenue-share percentages shall be submitted or evaluated at this stage.** An application containing any financial offer shall be liable to rejection. Only agencies shortlisted under this RFQ will be invited to submit technical and financial bids under Stage 2 (Request for Proposal - RFP).

1.3 No cost recovery at this stage. There is no tender fee, no Earnest Money Deposit (EMD) and no requirement of affidavits on stamp paper at the RFQ stage. All declarations shall be self-attested on the plain letterhead of the applicant in the prescribed Forms.

1.4 The complete RFQ document is available free of cost on the Central Public Procurement Portal (<https://eprocure.gov.in>) and on the Institute website.

1.5 The key dates and particulars of this RFQ are set out in the Information Summary. The Institute reserves the right to accept or reject any or all applications, or to annul the process at any stage, for reasons to be recorded in writing, without incurring any liability to the applicants.

Part 2 - Background and Objectives

2.1 About the Institute

Lokopriya Gopinath Bordoloi Regional Institute of Mental Health (LGBRIMH), Tezpur, is an autonomous institute under the Ministry of Health and Family Welfare, Government of India, and a premier centre for mental health care, teaching and research serving the North Eastern region. The Institute provides out-patient, in-patient, emergency and forensic psychiatry services and runs academic programmes in psychiatry, psychiatric nursing and allied disciplines.

2.2 Need for the Project

The Institute proposes to establish a modern CT scan facility within its premises, through a private concessionaire on a zero-CAPEX Public-Private Partnership basis, to provide round-the-clock cross-sectional imaging services to patients attending its out-patient, in-patient and emergency services.

2.3 Objectives

- Round-the-clock (24x7x365) CT scan services within the Institute premises, using a brand-new whole-body multi-slice CT scanner of minimum 64 slices with advanced spatial resolution and perfusion capabilities.

- No capital or recurring expenditure on the Institute or the Government (zero-CAPEX model): the entire capital and operating cost is borne by the concessionaire.
- Patient charges capped strictly at the applicable Central Government Health Scheme (CGHS) rates, with free examinations for notified indigent categories (BPL, EWS, destitute, and court-referred/undertrial patients).
- Full compliance with the Atomic Energy Regulatory Board (AERB) requirements, including licensing through the eLORA portal, and with all other applicable laws.
- Assured service quality through measurable service levels, including equipment uptime of not less than 95% and defined report turnaround times.

2.4 The Zero-CAPEX PPP Model

Under the proposed arrangement, the concessionaire shall finance, design, build, equip, operate and maintain the CT scan facility at its own cost for the concession term, and shall recover its investment through user charges capped at CGHS rates. The Institute shall provide licensed built-up space free of rent and utilities at actuals, and shall receive a share of gross revenue, the percentage of which will be determined through competitive bidding at the RFP stage. No payment is due from the Institute to the concessionaire for the establishment or operation of the facility.

Part 3 - Scope of Work and Information Required

3.1 Scope of Work (indicative; to be detailed in the RFP)

(a) Institute's contribution:

- Licensed built-up space of approximately 48 sq. m. at the Ground Floor, Hospital Block, free of rent, for the concession term;
- Electricity and water through a sub-meter, charged at actuals;
- Captive patient flow from the Institute's OPD, IPD, emergency, forensic and outreach services.

(b) Concessionaire's contribution (100% private capital and operating expenditure):

- Site preparation complying with AERB shielding rules for a 64-slice layout, including layout approval on the eLORA portal before construction and a radiation survey before commissioning; precision/ducted air-conditioning; dedicated three-phase power supply with online UPS; earthing, fire safety, networking and patient areas;
- Supply, installation, testing and commissioning of a brand-new whole-body multi-slice CT scanner of minimum 64 slices (refurbished, demonstration or used units are not acceptable), together with a dual-head pressure injector, emergency and patient-care equipment, reporting workstation and PACS connectivity;
- Integration with the Institute's Hospital Management Information System (HMIS) for registration, billing and DICOM image transfer;
- Qualified medical and technical manpower on a 24x7 basis, including radiologist coverage, CT technologists in every shift, an AERB-approved Radiation Safety Officer, nursing and support staff;
- Comprehensive maintenance of the scanner and all ancillary equipment, including the X-ray tube and detector, for the full concession term;

- Adherence to service standards, including equipment uptime of not less than 95% per month and report turnaround of 60 minutes for emergency studies and 24 hours for routine studies;
- All statutory approvals and licences, including AERB licences through the eLORA portal, at the concessionaire's cost.

(c) Patient charges: charges to patients shall be capped strictly at the applicable CGHS rates, as revised from time to time. Examinations of notified indigent categories - Below Poverty Line (BPL), Economically Weaker Section (EWS), destitute, and court-referred/undertrial patients - shall be performed free of charge, subject to the verification procedure and any cap notified in the RFP.

(d) Concession term: seven (7) years from the Commercial Operation Date, extendable by up to three (3) years subject to satisfactory performance.

3.2 Information Required from Applicants

Each application shall contain the following information and documents, arranged in the following order:

- (a) Covering letter and applicant details in Form 1, together with the power of attorney or board resolution authorising the signatory;
- (b) Proof of legal status and registration under Indian law; in the case of a consortium, the consortium agreement identifying the Lead Member;
- (c) Details of eligible experience in Form 4, supported by completion certificates, work orders, licence copies or client references;
- (d) Financial capacity details in Form 5, supported by audited financial statements or a certificate from a Chartered Accountant;
- (e) Statutory registrations and declarations: PAN, GSTIN, EPFO/ESIC registration, AERB eLORA licence, non-blacklisting declaration in Form 2, the declaration on bidders from countries sharing a land border with India in Form 3, and the undertaking to obtain pending statutory registrations and licences in Form 6;
- (f) Technical approach note: the proposed make and model of the brand-new whole-body multi-slice CT scanner of minimum 64 slices, with the OEM datasheet; a preliminary methodology for site preparation, installation and commissioning; and a note on AERB eLORA compliance and on the spatial resolution and perfusion capabilities of the offered configuration;
- (g) Any other information the applicant considers relevant to its qualification.

Part 4 - Minimum Eligibility Criteria

Applicants must satisfy all of the following minimum eligibility criteria. Applications not meeting any criterion, or not supported by the prescribed documents, shall be rejected. No criterion is relaxable except as expressly provided by Government policy.

Sl.	Criterion	Minimum requirement	Supporting documents
4.1	Legal status	Company, Limited Liability Partnership (LLP), Society, Trust, Partnership firm or	Certificate of incorporation/registration; partnership deed or

Sl.	Criterion	Minimum requirement	Supporting documents
		Proprietorship registered/incorporated under Indian law. A consortium of not more than two (2) members is permitted; the Lead Member shall hold not less than 51% stake/participation, and members shall be jointly and severally liable.	trust/society registration; consortium agreement (if applicable)
4.2	Experience	Minimum three (3) completed years of experience in establishing and/or operating CT scan or comparable diagnostic imaging facilities during the last seven (7) years preceding the date of this RFQ.	Form 4 with completion/performance certificates, work orders, AERB licence copies or client references
4.3	Financial capacity	Average annual turnover of not less than Rs. 3.00 crore (Rupees three crore) from healthcare/diagnostic operations during the last three (3) audited financial years, with a positive net worth as on the last audited balance sheet.	Form 5 with audited financial statements or Chartered Accountant's certificate (with UDIN)
4.4	Statutory compliance	(i) PAN and GSTIN; (ii) EPFO/ESIC registration or an undertaking to obtain the same before signing the Concession Agreement; (iii) valid AERB eLORA licence for existing operations, or an undertaking to obtain all AERB approvals for the offered facility; (iv) non-blacklisting declaration (Form 2); (v) declaration on restrictions under Rule 144(xi) of GFR 2017 (Form 3); (vi) undertaking to obtain pending statutory registrations and licences (Form 6).	Registration copies; Form 2; Form 3; Form 6

Note 1: In the case of a consortium, the experience and financial capacity criteria may be met by the members collectively, provided the Lead Member independently meets not less than 50% of the financial capacity requirement.

Note 2 - Make in India (MII) clarification: *As this project operates on a 100% private CAPEX concession model where the Institute does not purchase or fund the capital equipment, mandatory public procurement Make in India (MII) purchase preference quotas do not apply to the concessionaire's capital assets. However, domestic sourcing of equipment is encouraged where clinically and commercially viable.*

Part 5 - Evaluation and Shortlisting

5.1 Preliminary Examination

Applications will first be examined for completeness: submission in the prescribed manner on CPPP, signatures and authorisation of the signatory, submission of all prescribed Forms, and validity of the application. Incomplete applications may be rejected, or the applicant may be asked to furnish a shortfall document within a specified time, at the discretion of the Evaluation Committee.

5.2 Evaluation of Eligibility

Applications passing the preliminary examination will be evaluated strictly against the minimum eligibility criteria in Part 4 on a pass/fail basis. The Institute may verify any statement, document or reference submitted by an applicant, and may seek clarifications in writing. A materially false or misleading statement shall render the application liable to rejection and the applicant liable to action under the Code of Integrity (Clause 6.14).

5.3 Stage 2 (RFP) - Foreshadowed Process

Agencies found eligible will be placed on a shortlist published on CPPP and the Institute website. Only shortlisted agencies will be invited to Stage 2 (Request for Proposal). The RFP will disclose, at a minimum: (i) the complete scope of work, including the site-preparation requirements of Part 3.1(b); (ii) line-by-line technical specifications for the minimum 64-slice CT scanner; (iii) the CGHS-based financial model, including the tariff cap, payer categories, definition of Gross Revenue, and collection and remittance arrangements; (iv) performance standards and service levels with liquidated damages; (v) the contract conditions, including the Draft Concession Agreement; and (vi) the evaluation method, including the financial bid parameter and a notified reserve floor for the revenue share.

5.3.1 Award Method at Stage 2

At the RFP stage, technical bids will be evaluated on a pass/fail basis for responsiveness (no marks or scoring). The financial bid parameter shall be a single percentage of Gross Monthly Revenue offered to the Institute. The contract shall be awarded to the H1 bidder, i.e. the technically responsive bidder offering the highest percentage of Gross Monthly Revenue, subject to the notified reserve floor and a sustainability check to be specified in the RFP.

5.4 Shortlisting

The Institute is not obliged to shortlist any minimum number of applicants, and may shortlist all, some or none of the applicants. Shortlisting does not confer any right to award of the contract. Unsuccessful applicants will be informed after completion of the process and may seek a debriefing in writing.

Part 6 - Essential Terms and Conditions

6.1 Not an offer. This RFQ is not an offer, and nothing in this document or in the shortlisting of any applicant shall create any obligation on the Institute to enter into any agreement. The Institute shall not be liable for any cost or expense incurred by an applicant in preparing or submitting its application, attending the pre-application meeting or site visit, or otherwise participating in this process.

6.2 Integrity of the qualification stage. This RFQ is issued solely to evaluate technical and financial capability and to shortlist applicants. No financial bid, pricing, rate quotation or revenue-share percentage shall be submitted at this stage, whether in the application, in any annexure, or in any communication. Any application containing financial information shall be rejected.

6.3 Site visit and pre-application meeting. Applicants are encouraged to visit the proposed space (approximately 48 sq. m., Ground Floor, Hospital Block) to satisfy themselves of the dimensions, floor loading, power availability and HVAC routes relevant to a 64-slice installation, and to attend the pre-application meeting on the date indicated in the Information Summary. Queries received up to the last date for queries will be answered through a consolidated reply published on CPPP and the Institute website. All communications may be addressed to the Nodal Officer named in the Information Summary.

6.4 Amendment of the RFQ. The Institute may, for reasons recorded in writing, amend this RFQ by corrigendum published on CPPP and the Institute website, and may extend the submission date. Applicants are advised to check the portal regularly; corrigenda shall be binding on all applicants.

6.5 Submission of applications. Applications shall be submitted online only, on CPPP (<https://eprocure.gov.in>), signed with a valid Class-III Digital Signature Certificate, in English, in the prescribed Forms, with legible self-attested scanned copies of all supporting documents. Physical submissions shall not be accepted. Applicants are responsible for ensuring timely upload; the Institute shall not be responsible for any technical difficulty at the applicant's end.

6.6 Late applications. The CPPP system shall not permit submission after the due date and time. Late applications shall not be considered.

6.7 Validity. Applications shall remain valid for 180 days from the last date of submission. The Institute may request an extension in writing; an applicant may refuse without forfeiting any right, but shall not vary its application.

6.8 Confidentiality. Information relating to the evaluation of applications shall not be disclosed to applicants or any person not officially concerned with the process until the shortlist is published. Any attempt by an applicant to influence the evaluation shall result in rejection of its application.

6.9 Right to accept or reject. The Institute reserves the right to accept or reject any or all applications, to annul the qualification process at any time, or to modify the scope of the project, for reasons to be recorded in writing, without thereby incurring any liability to the applicants or any obligation to inform them of the grounds.

6.10 Consortium conditions. A consortium shall comprise not more than two (2) members. The Lead Member shall hold not less than 51% stake/participation and shall be authorised to act for and bind the consortium. Members shall be jointly and severally liable. No change in the composition of a consortium, or in the Lead Member, shall be permitted after submission except with the prior written approval of the Institute, and only if the reconstituted consortium continues to meet the criteria in Part 4.

6.11 Revenue share and minimum guarantee. The percentage of Gross Monthly Revenue payable to the Institute, the reserve floor, and any minimum annual guarantee, if any, shall be specified in the RFP and

determined through competitive bidding at Stage 2. No such figure is invited or shall be offered at this stage.

6.12 Dispute resolution and jurisdiction. Any dispute arising out of or in connection with this RFQ shall be subject to the dispute resolution mechanism to be set out in the Concession Agreement (Monitoring Committee, mediation and arbitration in accordance with prevailing Government guidelines), and, subject thereto, to the exclusive jurisdiction of the courts at Tezpur, Assam.

6.13 Compliance with laws. The concessionaire shall be required to comply, throughout the concession term, with all applicable laws, rules, codes and directions, including the Atomic Energy (Radiation Protection) Rules, 2004 and applicable AERB safety codes; the Bio-Medical Waste Management Rules, 2016; the Mental Healthcare Act, 2017; the Pre-Conception and Pre-Natal Diagnostic Techniques (Prohibition of Sex Selection) Act, 1994; the Digital Personal Data Protection Act, 2023; clinical establishment and fire-safety requirements; and applicable labour laws.

6.14 Code of Integrity (Rule 175, GFR 2017). Applicants shall observe the highest standard of ethics during this process and shall not indulge in any prohibited practice, namely: (i) corrupt practice - offering, giving, receiving or soliciting, directly or indirectly, anything of value to influence improperly the actions of another party; (ii) fraudulent practice - any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation; (iii) collusive practice - an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party; (iv) coercive practice - impairing or harming, or threatening to impair or harm, directly or indirectly, any party or its property to influence improperly its actions; and (v) obstructive practice - deliberately destroying, falsifying, altering or concealing evidence material to an investigation, or making false statements to investigators, or impeding the exercise of the Institute's inspection and audit rights. Applicants shall disclose any conflict of interest and any transitory or permanent debarment. Breach of this Code shall render the applicant liable to rejection, debarment under Rule 151 of GFR 2017, and other action as per law.

6.15 Governing law. This RFQ and the ensuing process shall be governed by and construed in accordance with the laws of India, including the General Financial Rules, 2017 and the instructions issued thereunder.

Part 7 - Prescribed Forms (Forms 1 to 6)

All Forms shall be typed on the applicant's letterhead, self-attested by the authorised signatory with the seal of the applicant, and uploaded on CPPP. No stamp paper or notarisation is required at the RFQ stage. In the case of a consortium, Forms 1, 2 and 3 shall be furnished by each member, Forms 4 and 5 by the members whose experience or financial capacity is relied upon, and Form 6 by the Lead Member on behalf of the consortium.

Form 1 - Covering Letter and Applicant Details

(On the letterhead of the applicant / Lead Member)

To,

The Director,

Lokopriya Gopinath Bordoloi Regional Institute of Mental Health,

Tezpur, District Sonitpur, Assam - 784001

Subject: Application for qualification - RFQ No. LGB/NAZ/4060/26/5383 dated 16.09.2026 for Establishment, Operation and Maintenance of CT Scan Services with a Brand-New Whole-Body Multi-Slice CT Scanner (Minimum 64 Slices) on Zero-CAPEX PPP Basis at LGBRIMH, Tezpur.

Sir/Madam,

Having examined the RFQ document, we hereby submit our application for qualification. We understand that this RFQ is Stage 1 of a two-stage process, intended solely to evaluate technical and financial capability, and that no financial bid, pricing or revenue-share percentage is to be submitted at this stage. We confirm that our application contains no financial offer.

We confirm that we meet the minimum eligibility criteria in Part 4 of the RFQ and that the information and documents submitted are true and correct. We undertake to abide by the Essential Terms and Conditions in Part 6, including the Code of Integrity under Rule 175 of GFR 2017. Our application is valid for 180 days from the last date of submission.

Name of applicant / Lead Member	
Legal status and registration number	
Registered address	
Name of consortium member (if any) and stake	
PAN	
GSTIN	
EPFO / ESIC registration (or undertaking in Form 6)	
AERB eLORA licence details (or undertaking in Form 6)	
Name, designation and contact details of authorised signatory	
Enclosures (list)	

Date: _____ Place: _____
(Signature, name and designation of the authorised signatory, with seal)

Form 2 - Non-Blacklisting Declaration (Self-Attested)

(On the letterhead of the applicant / each consortium member)

I/We, _____ (name and designation), being the authorised signatory of _____ (name of the applicant), do hereby solemnly declare and affirm as under:

- 1. That the applicant (including all consortium members, directors, partners and proprietors) has not been blacklisted, debarred or declared ineligible by any Ministry or Department of the Government

of India, any State Government, any public sector undertaking, or any autonomous or statutory body, as on the date of this application, and that no such proceeding is pending.

- 2. That the applicant has not been convicted by any court of law for any offence involving fraud, corruption or moral turpitude in relation to any contract with a Government entity during the last five (5) years.
- 3. That the information furnished in the application is true and correct, and that no material fact has been concealed or misrepresented.
- 4. That the applicant undertakes to abide by the Code of Integrity under Rule 175 of the General Financial Rules, 2017, and accepts that any breach may result in rejection of the application and debarment under Rule 151 of GFR 2017.

Date: _____ Place: _____
(Signature, name and designation of the authorised signatory, with seal)

Form 3 - Declaration under Rule 144(xi) of GFR 2017 (Restrictions on Bidders from Countries Sharing a Land Border with India)

(On the letterhead of the applicant / each consortium member)

I/We have read the clause regarding restrictions on procurement from a bidder of a country which shares a land border with India, as contained in Rule 144(xi) of the General Financial Rules, 2017 and the Orders (Public Procurement No. 1, 2 and 3) issued by the Ministry of Finance, Department of Expenditure.

I/We certify that the applicant (including all consortium members and beneficial owners) is not from such a country which shares a land border with India, or, if from such a country, has been registered with the Competent Authority as specified in the said Orders. I/We hereby certify that the applicant fulfils all requirements in this regard and is eligible to be considered.

I/We undertake that if, at any stage, this declaration is found to be false, the application/bid shall be rejected and the applicant shall be liable to action as per law, including debarment.

Date: _____ Place: _____
(Signature, name and designation of the authorised signatory, with seal)

Form 4 - Experience Details

(On the letterhead of the applicant / member whose experience is relied upon)

Details of experience in establishing and/or operating CT scan or comparable diagnostic imaging facilities during the last seven (7) years (use additional sheets if required):

Sl.	Name and location of facility	Client / institution	Scope (establishment / operation / both) and equipment installed	Period of operation (from - to)	Completed years of operation	Client reference (name, contact)
1						
2						

Sl.	Name and location of facility	Client / institution	Scope (establishment / operation / both) and equipment installed	Period of operation (from - to)	Completed years of operation	Client reference (name, contact)
3						

Note: Attach completion/performance certificates, work orders, AERB licence copies or client references in support of each entry. Entries without supporting documents may not be considered.

Date: _____ Place: _____
(Signature, name and designation of the authorised signatory, with seal)

Form 5 - Financial Capacity Certificate

(On the letterhead of the applicant / member whose financial capacity is relied upon; to be certified by a Chartered Accountant)

Financial year	Annual turnover from healthcare/diagnostic operations (Rs.)	Net worth (Rs.)	Remarks
FY 2023-24			
FY 2024-25			
FY 2025-26			
Average annual turnover		-	

We hereby certify that the average annual turnover of the applicant from healthcare/diagnostic operations during the last three audited financial years is Rs. _____ (Rupees _____), and that the net worth of the applicant as on the last audited balance sheet is positive.

Date: _____ Place: _____
(Signature and seal of the authorised signatory of the applicant)
(Signature, name, membership number and seal of the Chartered Accountant, with UDIN)

Form 6 - Undertaking to Obtain Statutory Registrations and Licences

(On the letterhead of the applicant / Lead Member, self-attested)

I/We, _____ (name and designation), being the authorised signatory of _____ (name of the applicant / Lead Member), do hereby declare that the following statutory registrations, approvals and licences required for the establishment and operation of the CT scan facility are pending as on the date of this application, and do hereby undertake to obtain them at our own cost, within the timelines indicated below, and in any case prior to the Commercial Operation Date (COD):

Sl.	Registration / licence	Authority / portal	Present status	Undertaken timeline
1	AERB registrations and licences: eLORA registration, procurement permission, layout approval, licence for operation, and RSO approval	Atomic Energy Regulatory Board (eLORA portal)		Prior to COD
2	Bio-Medical Waste Management authorisation	State Pollution Control Board, Assam		Prior to COD
3	EPFO registration	Employees' Provident Fund Organisation		Before signing the Concession Agreement
4	ESIC registration	Employees' State Insurance Corporation		Before signing the Concession Agreement
5	Any other applicable registration (clinical establishment registration, fire NOC, trade licence, labour registrations, etc.)	Concerned authority		Prior to COD

We further undertake that:

- 1. All the above registrations, approvals and licences shall be obtained and maintained valid at our own cost throughout the concession term, and copies shall be furnished to the Institute as and when obtained;
- 2. The facility shall not be commissioned, and the Commercial Operation Date shall not be declared, unless the AERB licence for operation and all other pre-commissioning approvals are in force;
- 3. Any failure to obtain the above within the undertaken timelines shall entitle the Institute to take action under the Concession Agreement, including levy of liquidated damages and, where applicable, termination; and
- 4. If this undertaking or any statement herein is found to be false, the application/bid shall be liable to rejection and the applicant to action under the Code of Integrity (Rule 175, GFR 2017), including debarment.

Date: _____ Place: _____
 (Signature, name and designation of the authorised signatory, with seal)

Issued under the authority of the Director, LGBRIMH, Tezpur.
